

BADGER MINING CORPORATION

JOB FAIR

MARCH 14 • 11 AM – 7 PM
VILLAGE OF TAYLOR COMMUNITY CENTER
420 2nd St, Taylor, WI 54659

Badger Mining Corporation is a family owned, values driven industrial sand supplier. Our unwavering commitment to team, safety, health, wellness, integrity, personal growth, and community involvement creates a rewarding and fun place to work.

At Badger Mining Corporation we promote a work environment that fosters associate involvement and is driven by self-directed work teams, providing a challenging and rewarding work experience for all associates. We look for people who function well in a TEAM environment, are willing to offer suggestions, and share their input and solve problems.

Taylor & Alma Center Openings

We are currently in search of talented people to join our team that fit the culture and needs. Open positions include:

**Training & Development • Mobile Equipment Maintenance
Production (mine, wash, dry, coating) Associates
Heavy Equipment Operators • Rail Loadout**

Production, Heavy Equipment and Rail Loadout positions will be for the night shift. Training on a different shift may be required.

Badger Mining offers a unique culture, excellent benefits and wages, and much more. For more details on the open positions, stay tuned to our website and visit our job fair. Badger Mining Corporation is an Equal Opportunity Employer.
