

JOB POSTING

LOCATION : Alma Center Sand Plant – Alma Center, WI
POSTING DATE: July 6, 2017
DESIRED STARTING DATE: ASAP
POSITION **PRODUCTION ASSOCIATE**
STATUS Full Time
NUMBER OF POSITIONS 3
WORK SCHEDULE Nights (10-12 hour shifts based on needs)
WAGE RANGE Based on experience

SCOPE OF JOB:

The Production Associate will be cross-trained to operate the wash process, dry process and rail loadout. The wash process includes startup, shutdown, quality testing, basic maintenance and repairs, and must be able to rebuild components as needed. The dry process requires safe and efficient operation of mobile equipment and the dry system; this includes feeding material to the dry process, dry screening and blending of sand products to meet quality, production and customer needs. The rail loadout responsibilities include inspection and cleanout of equipment, product loadout, quality assurance, trackmobile and switching operations, track inspections, and accurate production reporting. Good communication skills are required to interact with multiple work areas for planning and scheduling functions.
